Socratic Seminar Evaluation

Name _____

Period ____ **Date** _____

- 1) Rewrite the central question in your own words.

- 2) Describe something about the discussion that pleased you and something that frustrated you.

- 3) Give an example of someone else's "thinking" that you found yourself actually thinking about (identify that person by name).

- 4) Describe how the above example affected your opinion.

- 5) Briefly summarize the main points of today's discussion.
